

OFFICE OF THE MAYOR ROCHELLE ROBINSON

October 3, 2016

To the citizens of Douglasville:

In light of the turbulent and tumultuous political climate that we are experiencing in our country and community as Mayor of the City of Douglasville, I would implore everyone to exercise your American privilege and vote your conscience!

I will not be deterred or derelict in my duty of doing what the fine citizens of Douglasville have elected me to do. I will focus on moving the City forward, irrespective of race, creed, color, sexual orientation, religion or socioeconomic status. I pledge to continue to have a collaborative spirit of working with whomever the people choose to represent them in all levels of government, in efforts to promote the success of Douglasville.

These issues of race and politics present yet another opportunity for us as a community to examine who we really are and whom we want to become, as we pass this legacy of respecting our differences and living up to the challenge given by Dr. Martin Luther King Jr. so many years ago, of truly "judging each other on the content of our character and not the color of our skin."

May God look upon us and heal our brokenness as we continue to build our community.

God Bless America, Douglasville and Douglas County.
