## REQUEST FOR QUALIFICATIONS AND COST PROPOSAL

FOR

**Landscaping and Grading Project - I-20 at SR 92 Interchange**

**RFQ # 2019 - 018**

**I-20 at SR 92 Interchange Improvements/Beautification**

**ISSUE DATE: October 4, 2019**

**DUE DATE: October 18, 2019**

## 1. GENERAL PROJECT INFORMATION AND BACKGROUND:

The City of Douglasville (City) is seeking qualification and cost proposals from qualified landscaping contractors for grading, installation of landscape materials, and landscape maintenance services associated with the landscaping and beautification improvements at the I-20/SR 92 Interchange. See attached map for project limits. Significant erosion has been an ongoing problem between the ramps and I-20. Therefore, grading and slope stabilization is required in addition to the landscape installation services. No geotechnical investigations were done.

It is imperative that the proposing contractor familiarize themselves with all site conditions prior to submitting fees for the referenced project.

### SCOPE OF SERVICES:

The City of Douglasville is requesting these two services be priced separately on the included bid schedule:

- Task A – Grading/Erosion Control and Landscape Installation
- Task B – Landscape maintenance services

#### Task A – Grading and Landscape Installation

The scope consists of erosion control/stabilization, clearing and grubbing, grading and installation of landscape materials including mulch and topsoil. Any rock, where encountered, will remain in place. Since the project is entirely within the I-20 right of way, it shall be the contractor's responsibility to coordinate all construction activities with GDOT's District 7 Office. Refer to GDOT's specification 702 for all landscape installation, maintenance and warranty stipulations. The selected contractor for Task A will be required to water in the installed plant materials with a watering truck as needed to establish all materials.

#### Task B – Landscape Maintenance Activities

The contractor shall provide a FEE estimate along with a calendar of events associated with the outlined summary of maintenance activities as part of this submittal.

The City of Douglasville is requesting landscape maintenance services for the referenced interchanges with the following tasks to be priced on an annual basis. Contractor to follow requirements related to maintenance in GDOT's publication Standard Specifications – Construction of Transportation Systems, 2013 edition, Section 702 – Vine, Shrub and Tree Planting. Contractor shall utilize a water truck to water in all newly installed plants to get them established. Contractor to provide irrigation or supplemental watering with a watering truck as prescribed below.

#### Turf Care

- Irrigation Spring Start 1 Occurrence
- Irrigation Midseason Inspection 1 Occurrence
- Irrigation Shut Down (water truck) 1 Occurrence
- Trash pickup 24 Occurrences

The successful proposer will be required to comply with all applicable Local, State and Federal rules and regulations during the installation and maintenance services of this project. The maintenance contract shall be for a term of 1 year and begins once the Landscape Architect or City's representative determines that the installation/establishment period is complete.

## **2. PROCUREMENT PROCESS AND INFORMATION**

### **A. Request for Proposal Documents**

All RFQ documents are available in electronic format at the City of Douglasville website.

**B. Availability of Request for Proposal**

The RFQ is open to all qualified candidates and is available free of charge.

**C. Prequalification Criteria**

Contractors must be prequalified with GDOT in the appropriate area classes.

**D. Request for Information**

All requests for information and clarifications regarding this project shall reference the above invitation name and submitted be via e-mail to [procurement1@douglasvillega.gov](mailto:procurement1@douglasvillega.gov) no later than October 14, 2019 at 5 PM. Questions and answers will be issued in the form of an addendum to all interested and will be available on the city's website (under RFPs), [www.douglasvillega.gov](http://www.douglasvillega.gov). It is the proposer's responsibility to check the website for any addenda issued for this RFP.

**E. Communication**

From the issue date of this RFP solicitation until a successful proposer is selected and announced, proposers are forbidden to communicate about this solicitation or this Project for any reason with any members of the City of Douglasville administration and government, except for submission of questions as instructed in the RFP. For violation of this provision, the City reserves the right to reject the proposal of the offending proposer at any time. Further, the City reserves the right to award both the installation and maintenance services together or separately.

**F. Submittal Date and Information**

All proposals must be delivered to the City of Douglasville, 6695 Church Street, Douglasville Georgia 30134, no later than October 18 at 10:00 AM. **Any proposal received after that time will not be considered for award.** It is the City's desire to award this contract as soon as possible to the most qualified contractor.

A performance bond and a payment bond, each in the amount of 100% of the contract sum and for the term of the contract, will be required from the successful proposer. Proposals may not be withdrawn for a period of 60 days after the due date for receipt of proposals.

All proposals must be accompanied by a Certificate of Liability Insurance to include worker's compensation. Proposals may be withdrawn by written or faxed request, provided such withdrawals are received prior to the time and date of the opening. Contractor shall be responsible for all injuries or damages of any kind resulting from work, to persons or property.

Proposals may be withdrawn by written or email request, provided such withdrawals are received prior to the time and date of the opening. **Prior to Notice to Proceed, the selected Contractor shall present a Liability Insurance Certificate naming the City of Douglasville as an Additional Insured.** Contractor shall be responsible for all injuries or damages of any kind resulting from work, to persons or property during the course of the installation and maintenance tasks.

All expenses for preparing and submitting responses are the sole cost of the party submitting the response. The City is not obligated to any party to reimburse such expenses. All submittals upon receipt become the property of the City. Labeling information provided in submittals "proprietary" or "confidential" or any other

designation of restricted use will not protect the information from public view. Subject to the provisions of the Open Records Act, the details of the proposal documents will remain confidential until final award.

The City of Douglasville reserves the right to cancel this procurement at any time for this pursuit. The City may reject the proposal of any proposer that has not submitted the appropriate requested documentation or waive any and all technicalities, formalities or irregularities. In addition, firms that have previously failed to perform properly or complete on time, contracts of a similar nature with the City of Douglasville, may also be disqualified.

#### **G. Proposal Response Information & format**

Provide the following Qualifications and Information within the Sections of the RFQ above:

This individual's competence, leadership, and ability to achieve *customer satisfaction* will be heavily considered in the selection of the contractor.
  5. Please include a schedule of proposed installation activities as well as maintenance activities scheduled per month. The City of Douglasville anticipates approximately two site visits per month for mowing and trash pickup. All other activities such as spraying, mulching and fertilizing shall be identified within the maintenance schedule.
- e. Fee Proposal – Bid Schedule**
1. Fee proposal shall include all pay items associated with the construction plans. See attachment in **Exhibit "B"**, Landscape Installation Fee/Bid Schedule. If contractor sees discrepancies in the quantities on the bid schedule verses the plans, contractor shall advise the City within their proposal of the found discrepancies. If there are quantity adjustments which need to be addressed, adjustments will be made prior to entering into a final agreement with the selected contractor. Costs shall be applied as is to the quantities on the provided bid schedule. Discrepancies, if found, shall be itemized separately but not included in the bid schedule.

## H. Evaluation of proposals and presentation

The evaluation by the Selection Committee will be based on the Selection Criteria listed below. The City will appoint a committee of key staff members (Selection Committee) to review

each response to this RFQ and provide a rank list of all the Firms.

1. **Staffing** – Evaluation of the list of personnel specifically assigned to the proposed project, including their qualifications, overall experience and recent experience on projects of similar nature and complexity to the proposed project. Points: 15

**EXHIBIT D****Proposer's Disclosure Statement**

All proposers should be aware that the project you are submitting a proposal on is a public project, and the Owner (City of Douglasville) is a public agency. Pursuant to the laws, rules and Executive Orders of the State of Georgia, the City of Douglasville shall make every effort to avoid even the appearance of a conflict of interest or any impropriety in both the selection process for this project and the negotiation and performance of any resulting contract. As part of any submittal you intend to make for this project, **you must include a Disclosure Statement with your submittal** which answers the following specific questions:

1. Describe any business transactions occurring within the prior two years between your firm and the City of Douglasville or the ultimate end-user of the proposed project.

*<Insert Response Here>*

2. Describe any gift, hospitality, or benefit of any sort that your firm has provided to the City of Douglasville or the end-user of the proposed project within the prior one-year period.

*<Insert Response Here>*

3. A *conflict of interest or potential conflict of interest* is defined as any action, decision, or recommendation by a person acting in a capacity as a public official, the effect of which is or could be to the private monetary or financial benefit or detriment of the person, the person's relative, or any business with which the person or a relative of the person is associated. The potential conflict of interest is viewed from the perspective of a reasonable person who has knowledge of the relevant facts. Based upon this definition, describe any conflict of interest or potential conflict of interest that your firm has with the City of Douglasville or the end-user of this project.

*<Insert Response Here>*

This Disclosure Statement shall be dated and signed by an authorized signer for the proposer and submitted with the Proposer's Submittal as a deliverable.
